Lyndia, the fifth time . . . for viewing and fantasizing.  
For pleasure.

How wonderful all of this must have been for her and the man with whom she shared this extraordinary decade-long commitment to bondage. For them, it wasn't a way of life—it was the way life.

An idyll of ropes and gags and tight straps and boots and helmets and panties and bondage and love, a true-life lifestyle that probably tasted as delicious as any fantasy ever devised. This lovely and loving mannequin/woman was constantly bound and gagged for a time-span that lasted approximately 4000 days and nights. It was her pleasure then, hers and his. The pleasure now is yours and ours.

Did she ponder bondage pictures of other women and persuade him that they could do it better, enjoy it more, make it sweeter for those others who would have later occasion to look at these pictures of her?

Probably.

So, she sifted through her leather and silk outfits, meanwhile nodding approval at the ropes and gags and blindfolds he was selecting. Finally, it all seemed like the just-right ensemble.
